

**P**- small asparagus fern, stick, twist ties, scissors to trim plant

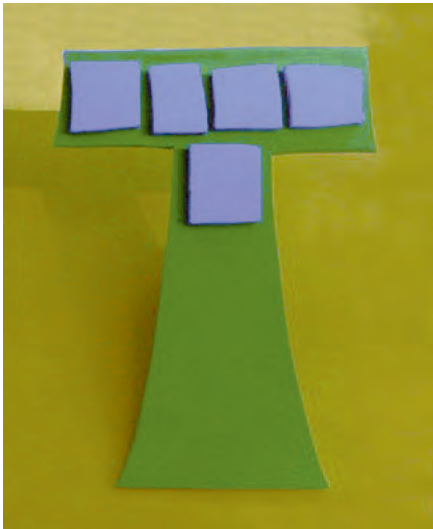

**Q**- felt, batting, needle and thread, embroidery floss, scissors

**R**- the letter R cut from heavy paper, paint, small paint roller, foil pie tin or plastic plate to use as paint tray

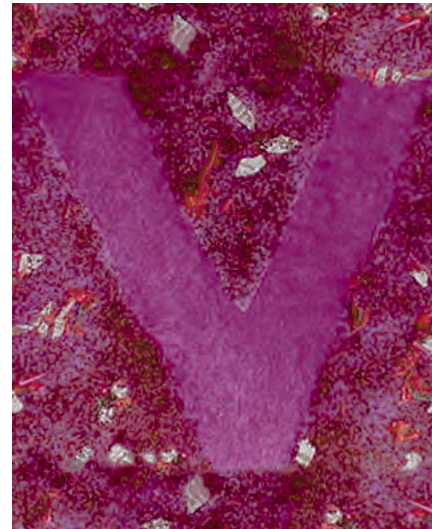

**S**- 1/2 inch \*foam insulation board used to insulate houses, exacto saw

**T**- two colors of 6mm craft foam or two colors of poster board, scissors, glue stick

**U**- three colors of colored paper, glue stick, twine, scissors, stick to roll paper around

**V**- square of \*polar fleece fabric or felt, spray adhesive, tea leaves from two tea bags, bits of thread and newspaper, piece of waxed paper same size as

fabric, paper cut-out of V, three straight pins.

How to : pin paper V on fabric, spray the adhesive on the fabric in a well ventilated area using newspaper to catch over spray, sprinkle tea leaves, thread and newspaper bits on fabric, lay waxed paper over fabric, press down firmly, peel off waxed paper, remove pins from V and peel off V, set fabric aside until adhesive is dry.

OR sprinkle tea leaves, thread and newspaper bits on sample carpet square. Using a small hand held vacuum remove debris to create the letter V.
